"Special Guest Scott Burnworth"

Join Donnie & Scott for some bench racing after the class on Saturday!

The Donnie Hansen Motocross Academy is a motocross school that teaches techniques and skills to all levels and ages whether they are racers or just want to improve their riding skills. SPEED TRAINING is part of the private lesson program for advanced racers wanting to improve their race results. DHMA offers unique value and insight that comes with multiple championships. Donnie Hansen teaches all classes personally, and covers everything necessary to sharpen your technical riding skills, i.e. jumping, cornering, starts, braking, line selection, body positioning, mental training and more.
